Re: GreatCall, Inc. and Budget PrePay, Inc.

WT Docket Nos. 09-197; WT Docket No. 03-109

Dear Ms. Dortch,

In accordance with Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, we hereby provide you with notice of an oral *ex parte* presentation in connection with the above-captioned proceedings. On October 4, 2011, David A. LaFuria and Todd B. Lantor, on behalf of GreatCall, Inc. ("GreatCall") and Budget PrePay, Inc. ("Budget PrePay") (collectively, herein referred to as the "Companies") spoke with Kimberly Scardino and Divya Shenoy in the Telecommunications Access Policy Division of the Wireline Competition Bureau.

The discussion focused on the applications for Eligible Telecommunications Carrier ("ETC") status that the Companies each have on file with Commission and the current status of those ETC applications. In addition, the parties discussed the definitional qualifications of being a "facilities-based" service provider based on prior Commission precedent, as well as recent commitments made by other carriers seeking ETC designation to be eligible to participate only in the federal Lifeline program.

If you have any questions or require any additional information, please contact undersigned counsel directly.

Respectfully submitted,

Jan B. Lite
